## SERIAL NUMBER LOCATION

You need to know the frame and engine serial numbers to get warranty work, theft recovery and consumer safety information. You also need these numbers to help your authorized service center or BAJA INC. order parts.

The Frame number is stamped on front of scooter just above the front floor base. A small cap will need to be removed to see the number. The engine number is located on the bottom left side of the engine housing.

Frame number

**Engine serial number** 

Write down the serial numbers here for your future reference

| Frame No.:  |  |  |
|-------------|--|--|
|             |  |  |
|             |  |  |
| Engine No.: |  |  |
|             |  |  |
|             |  |  |
